

Student Led Conferences Parent Rubric

*Parents, please use this Rubric as a tool to help your student improve and grow in their next Student Led Conference. This rubric is not meant as a grade, but as a jumping off point for improvement. **Please wait to complete this rubric until the END of the conference.***

	Did not do this.	Did this a little.	Did this most of the time.	Did this very well and all the time.
My child shared work from all of their high school courses and clearly explained <i>how</i> they did on the work, and how they could improve.				
My child provided the background information and examples from each of the assignments shared so that they made sense to me.				
My child shared their student action sheet and fully explained their plan for meeting their goals.				
My child communicated their ideas in an organized manner.				
My child answered questions directly and honestly.				
My child had all of the materials they needed for their conference out and in use.				
My child made consistent eye contact while speaking.				
My child had good body posture for the whole conference.				
My child spoke clearly, at a good volume, and pace.				

1.How was the student-led-conference beneficial to you?

2.What is something new you learned about your child at the conference?

3.What did you learn about your student's academic progress/work?

4.When we do the conferences next year, do you have any suggestions for improvement?
