

CGES News:

The New Art Teacher at CGES

Mrs. Deena Smeigh is the new K-5 art teacher. This will be her third year teaching art but she has studied art for 7 years. She has worked at Shallotte Middle School and Hallsboro-Artesia Elementary school and now at CGES! She got her degree in art from ECU and UNC-W. Her favorite grade to teach is 5th grade because she says they're so creative!

Mrs. Smeigh became an art teacher because she loves art. She is a potter, loves to work with clay. Her favorite thing to draw is landscapes. She always wanted to be an art teacher after taking afterschool art classes in 3rd grade! Her first drawing was a bowl of fruit. She will be teaching her students how to be expressive through different materials and to be confident in who they are.
